You are not a mere spectator when you enter the World of Racing. Fasten your seatbelt and experience the thrills, spills and glamour of motor sport. Share in the gripping drama of Nigel Mansell's remarkable career captured in unique video footage, in the specially designed cinema. Then stand alongside the actual Formula 1 racing cars he drove to victory, and see a plethora of memorabilia from all over the world. Without question, motor racing will always be close to Nigel Mansell's heart. But these days it is tempered with a love of golf, the countryside, business, fine wines, great food... and Woodbury Park.
